Petrol

Description

This is an absolutely stunning example that is displayed in an excellent condition throughout. A true credit to its previous owner who has clearly taken superb care both mechanically and aesthetically with it. Paint work is spot on throughout showing all the correct signs that this example has been very well looked after. All 20" diamond cut alloy wheels are un-kerbed also. Drives exactly as it should with everything working just as designed and has the noise to match its looks. Very comprehensive Aston Martin service covering 8 Aston Martin Service records to date and plenty of receipts alongside. All Spark plugs were changed 3,500 miles ago too. This example comes with; 20" 10 Spoke Diamond Cut Alloy Wheels, 2+2 Seating, Bang & Olufsen Heated Sports Seats, Electric Seats w/Memory, Piano Black Facia Trim, Automatic Dimming Rear View Mirror, Cruise Control, Carbon Ceramics, Carbon Interior/Exterior Trim, Parking Sensors, NAV, Air Con, Dual Zone Climate Control among others. Comes complete with Tracker, two keys, book pack, 82 point health check, 6 months warranty and HPI certificate. Early viewing is highly recommended for such a stunning example.
