11000 miles

Manual

Petrol

Description

This is an extremely bright looking example and one that is a true credit to its only previous owner, who has taken superb care both mechanically and aesthetically with it. Displayed in an excellent condition throughout and drives spot on with everything working just as it should. This is complimented with holding FULL CITREON service history across the following miles; 5,819 + 9,725. With its first MOT not due until; 31/08/2022, holding manufactures warranty until then too. Top level of stand out spec with this example that includes; 360 Camera, Collision Risk Alert, Lane Assist, NAV, Cruise Control, App Connect, Dual Zone Climate control, Electric Seat Adjustment, DAB Radio, Bluetooth, Diamond Cut Alloy Wheels, Active Blind Spot Monitoring System, Automatic Lights and Wipers among others. Comes complete with two keys, book pack, 82 point health check and HPI clear certificate. For an example as well presented as this we strongly recommend an early viewing.
