CVT

Electric

Description

This is as superb example and also a fantastic opportunity to purchase a very desirable car. Our e-up is displayed in a very clean condition throughout and also drives spot on with everything working just as it should, reflecting that of a well looked after example. Great level of stand out spec with this example that includes; Heated Seats, DAB Radio, Dual Zone Climate Control, Air Con, Hill Start Assist, Eco + Driving Modes, Diamond Cut Alloy wheels, Parking Sensors, Tyre Pressure Monitoring, Heated Rear Screen among others. Service/ Inspection history across the following; 4,511 + 7,300 + 11,110 + 18,234 (ALL Volkswagen). Comes complete with two keys, book pack, 82 point health check, 6 months warranty and HPI certificate. For an example as desirable as this we strongly recommend an early viewing.
